## **QUALITY AND SAFETY, HEALTH AND WELFARE AT WORK POLICY**

CENTRO LOGÍSTICO AVANZADO, SL - as a member of the CTC Group - has the mission to help our clients to focus on their business through the efficient outsourcing of their non-critical business processes.

CENTRO LOGÍSTICO AVANZADO is aware of the influence that the improvement of Quality and Safety has on the image of the company and on the increase of competitiveness, and has established a Quality and OSH Management System as a means to ensure the conformity of the services provided with the specified requirements, with the aim of achieving customer satisfaction through the prevention of damage and deterioration of health.

CENTRO LOGÍSTICO AVANZADO is a company dedicated to sorting, parts recovery and litigation. The Quality and OSH policy defined in CENTRO LOGÍSTICO AVANZADO is based on the following principles:

- To supply services in accordance with the needs and specifications of our customers, complying with legal and regulatory requirements, as well as other requirements to which the company subscribes.
- To provide a service that is different and better every day, reaching the high levels of reliability required by such a demanding and responsible service.
- To establish a continuous improvement in the operation of our company, through the implementation of improvements in our processes, as well as a continuous improvement in the management of OSH and its performance.
- Encourage our employees and suppliers to feel committed to the Quality and OSH of our services.
- To provide a framework for setting and reviewing objectives.
- Encourage consultation and participation of workers and their representatives.
- Provide safe and healthy working conditions in order to prevent injury and deterioration of the health of our workers.
- Commitment to the elimination of hazards and reduction of OSH risks.

This policy is permanently reviewed by the Management to ensure that it is consistent with the business policy and strategy of CENTRO LOGÍSTICO AVANZADO and with the needs and requirements of our customers, and is available to the public.

In Valladolid, 17th January 2022
